“A Message From the Visionary”

2020-2021

Dear Parents and Scholars,

The 2020-2021 school year has begun at the University of Dreams at IBOC! This year's theme is, **“RISE. Up! We're Ready to Inspire, Serve and Educate”** As you all well know, we have extremely capable and successful Directors and Administrators who lead well and manage the daily operations of our school system with class, honor and integrity. Their daily spiritual guidance and demonstration of Christ's love for your children is unmatched! Please take a moment to peruse this school handbook as an introductory manual where you should find answers to questions concerning activities, programs, policies, and procedures for the successful operation of our school system.

As a parent, guardian and super-supporter – I want to remind you just how vital you are to your child's education. This school year, especially, is beginning with its own challenges due to the global pandemic, COVID-19. Our goal, with your help, is that we continue to maintain a safe, secure and fun-loving environment for students while providing high-quality academic and biblical instructional programs that promote success for ALL scholars. As a Christian school, we thank you for entrusting a large portion of your child's spiritual development to us as we teach faith, leadership, etiquette, character and service.

Please sign the last page of this document and return it to your child's Homeroom teacher.

I humbly thank you for your support and look forward to a blessed 2020-2021 school year.

Building for the future TODAY and FOREVER,

Pastor Rickie G. Rush, D.D.

Founder & Visionary

Our Anointed U of D School Leaders

Dear Blessed U of D Parents & Guardians,

R.I.S.E. Up with us! We're Ready to Inspire, Serve and Educate! Welcome back to school year 2020-2021!

We are your U of D School Leaders, and we are ecstatic about it! We, along with our Mighty Eagle Educators, are equipped to deliver an engaging, challenging elementary program for your child(ren). We believe you will find ours to be a consistent, quality program that speaks to our strong academic and spiritual reputation for sound curriculum, knowledgeable and caring staff. We are not novices to the field of Education and have excellent, rich histories of being caring, strong educational leaders. We believe in the vision of U of D and look forward to instructing your scholar all the way through 12th grade. You will find that we are forever seeking upgraded methods for delivering instruction and operating in a manner that meets the ever-changing needs of 21st century learners, online and on-campus. These are the most important years of your child's growth and development. Through the use of proven effective instructional practices, we continue the process of equipping and molding your scholar to live out the dynamic dream God has planned for their lives. We understand the task God has entrusted into our capable hands, and we stand unified and ready to operate under His anointing and Holy Spirit. Join us as we work together to build a foundation that will last your child a lifetime.

With sincere gratitude,

Sis. Sherrye Vaden, Director of Education

Sis. Shunta Hunter, Children's College Director

Deacon David Bowens, Administrator

Vision Statement

“Inspiring dreamers to excellence and enlightenment through a holistic and Christ-centered approach to education.”

Scholar Declaration

“Dreamers” – that’s what we are -- for God has plans for our lives!!

Do You Believe It? Will You Achieve It?

We are a team of believers in Jesus Christ and with God – all things are possible.

Since our attitudes determine our altitudes, our minds are renewed with joy,
our hearts are open to new possibilities, our work ethics represent effort and strength.

With great unity, we can and we will overcome great challenges together.

As scholars, we show the utmost respect for our teachers, administrators, and peers.

Our speech is kind! Our actions are Christ-like. Our conduct reflects our knowledge of the Word of God. The University of Dreams at IBOC “Mighty Eagles” represent Faith, Leadership, Etiquette, Character, Service, and this is done all for God’s glory!

School Colors

Royal Blue, Gold, Gray

School Mascot

F.L.E.C.S. Mighty Eagle!

School Hours

Children’s College	8:00am – 3:00pm
Leadership and Arts Academy	8:00am – 3:00pm
Breakfast in the Classroom	8:00am – 8:25am
Office Hours	8:00am – 4:00pm
Tardy Bell	8:15am
Morning Announcements	8:30am – 8:45am

Academic & Christian Curriculum

The University of Dreams Leadership and Arts Academy is setting higher standards for student academic achievement and organization of learning by following TEKS (Texas Essential Knowledge and Skills). Our K5, first, second and third grade teachers are participating in job-embedded training sessions with our Directors regarding integrating ABeka and the state TEKS/Student Expectations for all core content: ELAR/Reading, Writing, Mathematics, Science and Social Studies. This is a new and exciting teaching experience that they are committed to following. Daily learning objectives for each content area, demonstrations of student learning, delivering rigorous instruction in the classroom, instructional strategies, higher order thinking questions, student engagement strategies and creation of a classroom climate and culture conducive to higher learning standards is integrated into our classroom learning. Our resources are ABeka, Open Court Reading, I-Station reading, math and teacher toolbox activities, Everyday Math, Florida Center for Reading Research and more. To enrich our instructional program, we have a full-time S.T.E.A.M. teacher who implements hands-on activities for scholars.

“Specials Classes” offered weekly during the instructional day to scholars are:

- Beginning Spanish – Instructor Senora Cantu
- Theatre / Dance – Instructor Sis. Starks
- Visionary Seminary Leadership Class – Instructor Deacon Bowens
- P.L.A.Y. (Physical Lessons for Anointed Youth) – Instructor Sis. Lloyd
- “Rise Up” Rally (every Friday)!!!

Christian Curriculum

Historically, we have chosen to utilize the ABeka Curriculum that contains day-by-day lesson plans for an entire year. Thousands of Christian schools around the world successfully use the ABeka Curriculum, which is based on the Word of God.

Character Training in the Christian School is one of the supreme goals of Christian Education. God says, “Train up a child in the way he should go: and when he is old, he will not depart from it” (Proverbs 22:6). Children must be faithfully trained, which means to model and demonstrate faith, leadership, etiquette, character and service. Excellence in training youth include life lessons grounded in the Word of God, not merely a “character lesson” taught once a day or once a week. We provide orderly, organized classrooms where showing forth effort and strength are celebrated – staying the course through difficulties is the accepted standard.

Our goal is to train up scholars to:

1. Respect authority figures at home, school, community and world
2. Pay attention in class to absorb the taught curriculum
3. Obey willingly instructions from school leaders, classroom teachers, etc
4. Apply themselves to the task at hand; we reward effort and strength
5. Learn classroom/school wide rules and easily apply them to situations
6. Do their best at all times; God has given us all the potential to soar
7. Learn to work hard and think critically; Asking questions is welcomed
8. Develop habits of orderliness, integrity, accomplishment, cooperation, consideration, perseverance, self-control, attentiveness, fairness, confidence, responsibility, effort, steadfastness, endurance, helpfulness, neatness, patience, good judgement and respect.

Admissions Policy

Admission to the University of Dreams Leadership and Arts Academy, 1st thru 5th Grades, is open to any young person regardless of race, color, or national and ethnic origin. The basic requirements for admissions is a mutual consent by student and parent to conform the Christian standards set forth in this handbook, in order for this school to provide an atmosphere that is safe and conducive to learning. It is our hope that this school offers the type of education and learning environment you desire for your child.

Acceptance ~ No enrollment can be completed until all documentation required has been completed in full and submitted along with appropriate fees.

Re-enrollment ~ Scholars who are presently enrolled in the school are given first priority to re-enroll for the following school year. Re-enrollment must be done each year. Current scholars are held to the same admissions standards stated above and eligibility will be evaluated each year.

Attendance

Absences: Regular and punctual attendance is essential for the optimum growth and development of students. The Texas State Compulsory School attendance law supports this claim. We must work together to minimize absenteeism and tardiness. Students who are absent must provide a written explanation within 3 days of return, so that work can be made up and the excused absence can be recorded. If a scholar knows s/he will be absent for an extended period time, her/his parents may opt to make arrangements with the teacher to have work sent home, so as to keep abreast with the class. For absences, scholars are given one make-up day for each school day missed. How much make-up work is required is left to the discretion of each teacher.

Arriving Late: Due to COVID-19 regulations and procedures, parents cannot enter the school building unless in an emergency. Upon arrival, staff conducts scholar temperature checks in the parking lot drop-off point. Scholars are allowed to enter the U of D building at 7:45am. School starts daily at 8:00am with a Tardy Bell at 8:15am. Any scholars arriving after 8:15am must see the receptionist for a Tardy Card.

Leaving School Early: Scholars leaving early must check out through the receptionist office. If a parent knows ahead of time that the scholar will be leaving early, the scholar is to bring a note to his teacher at least one day prior. The receptionist will call the child out of class when the parent arrives. Scholars returning from a medical appointment must bring a note from the doctor/dentist to the Director's office when they return to school.

Excessive Absenteeism & Tardiness: Excessive negative attendance during the school year may place a scholar's promotion in jeopardy. Such cases are dealt with on an individual basis by the Directors in charge.

Birthdays

- Due to COVID-19, the only outside foods allowed inside the building are those pre-packaged from grocery stores – no foods from a deli, no foods from a bakery and not homemade, etc. An example of birthday snacks allowed would be: Little Debbie snack cakes, Oatmeal cakes (individually-wrapped), etc. No outside sugary drinks of any kind are allowed. We appreciate your understanding. U of D is committed to mitigating the spread of coronavirus.

Chapel

Chapel Worship Service is held every “Wonderful Wednesday” in our school sanctuary from 8:30 a.m. until 9:00 a.m. Due to COVID-19, no visitors are allowed in the building. However, our scholars will continue to teach us biblical lessons with their awesome teachers. WE F.L.E.C.S! That is, we demonstrate Faith, Leadership, Etiquette, Character and Service. Your children enjoy singing praise songs, learning about Jesus and exhibiting Christian character, conversation and conduct.

Child Abuse & Neglect

The teachers and staff of the Leadership and Arts Academy receive annual training to recognize the signs and symptoms of abuse and neglect. In Texas, anyone who suspects that a child is being abused or neglected has a legal obligation to report it. Professional reporters are required to report allegations within 48 hours of first suspecting abuse or neglect. By law, professionals may not delegate the duty of reporting abuse or neglect to another person or entity or rely on another person or entity to make the report.

How do you report abuse or neglect?

In Texas, you have two ways to report child abuse or neglect.

- 1-800-252-5400 www.txabusehotline.org

Clinic Needs

If a student becomes ill or injured, he/she will be sent to the clinic to visit with the Health Asst. If after observation, the illness or injury appears to warrant contact of a parent, reasonable efforts will be made to contact parents. Parents will be asked to pick up their child at that time by the Director(s), if needed.

Students are not to bring medicine(s) to school unless a doctor prescribes the medication. The school health assistant and/or Director(s) can administer physician prescribed medicine when it is in the original bottle and labeled correctly with the names of the physician and the student.

All parents should bring student medications to the school upon arrival and complete the appropriate documentation form.

If a student experiences a serious illness or injury of an emergency nature and parents or alternate sources of contact can't be reached, the child will be taken to the hospital for treatment. This action in no way implies that the personnel or school assumes financial responsibility for the illness/injury. There are some students who have special health conditions. The Directors and health assistant should be advised of those students who require immediate or special attention for conditions such as asthma, heart conditions, diabetes, epilepsy or any other physical condition. It is imperative that these students have an up-to-date and accurate enrollment form on file at all times.

Daily Confession

This is the Word of God, This is my Word from God
Obedience to this Word is the only weapon that I have
If I read this Word and do exactly as it says
According to the Book of Joshua, Chapter Number One
I will prosper, I will prosper in every area of my life
I can be what this Word says I can be, I can do what this Word says I can do
Thank You, Father – Thank You, Father, For revealing Your Word to me today

Dress/Respect Code for Parents

We ask that all parents help our school system model respect and dignity to all our scholars. It is important that your attire reflects grace, dignity and modesty whether you are dropping off or picking up your scholar(s). We appreciate your adherence to this policy as you assist us in raising your kings and queens. We know you may be in a hurry but we ask that all parents be sure to be adequately dressed when dropping off scholars in the mornings and picking up scholars in the afternoon.

Please, we ask that parents NOT wear the following into the building:

Revealing clothing such as sheer blouses that reveal underwear, no tight shapewear leggings, no spaghetti straps, no daisy duke shorts, no pajama tops, no pajama bottoms, and no t-shirts deemed as underwear or sagging pants/shorts that reveal your underwear.

Dress Code for Students

The University of Dreams at IBOC scholar dress code is established to instill pride, uniformity, discipline and respect for themselves and their peers. Uniforms are to be worn Monday-Friday. **All uniform shirts, sweaters and blazers can be purchased at Levine's Dept. Store, 2550 W. Redbird Lane, Dallas, TX.**

Here's our shirt line-up for the 2020-2021 school year. (1st – 5th Grade)

Monday – Royal Blue polo

Tuesday – Gold polo

Wednesday – Chapel Attire (or White polo)

Thursday – Black polo

Friday – I Love My School spirit t-shirt (*Purchase for \$5 at the receptionist area)

The following dress code guidelines also apply.

- All shirts must be tucked in, unless otherwise stated
- Earrings may be worn by female scholars only; No male student, for any reason, is allowed to wear earrings to school.
- Dresses or skirts may not be shorter than fingertip length above the knees
- Shoes must be fastened with a strap on the heel (no slides or flip flops)

Students who continuously or purposely violate the dress code will be given a Dress Code form for parents to sign and return to the school. Please note the following Guidelines:

SLACKS and PANTS	<ul style="list-style-type: none">• full length• fastened at the waist• belt must be worn with pants that have belt loops	
Skirts, Jumpers, Shorts	<ul style="list-style-type: none">• knee-length or longer	
Acceptable Materials		Colors for Pants Slacks, Jumpers
<ul style="list-style-type: none">• cotton• polyester• linen• twill• corduroy• canvas		<ul style="list-style-type: none">• solid khaki• solid navy• solid black
SHIRTS, BLOUSES-STYLE		Color for Shirts, Blouses
<ul style="list-style-type: none">• long or short sleeves• polo-style• tucked into pants or skirt		<ul style="list-style-type: none">• royal blue• gold• white• black

SHOES – STYLE	
<ul style="list-style-type: none"> • rubber soles • loafers acceptable • dress shoes • other closed-toe and closed-heel shoes • (no shoes with dancing, twinkling lights, please) *Please no distractions 	
Style	Color
<ul style="list-style-type: none"> • must be worn over an approved shirt 	<ul style="list-style-type: none"> • solid blue (royal) • solid black • solid gray

Early Student Departures from School

When possible, we ask that all scholar dental and medical appointments be made on non-school days or after the school day ends at 3:00pm. If there's a need for early departure, notify the Directors. A valid picture identification will be requested prior to a child's release – if it's the adult's first-time picking up the scholar.

Elevator Usage

Scholars must have a statement from a doctor or note from a parent explaining an adequate reason to use the elevator. Elevator use is always available to students when accompanied by a school employee.

Emergency Contact(s)

It may become necessary for the school to contact you regarding your child. It is very important that we have the correct phone number and address for you and your child. Please keep the school posted of any changes that may occur in your contact information.

Emergency Operations

We train our faculty and staff on our campus Emergency Operations regarding evacuation processes, obstructed and unobstructed fire drills, shelter in place drills, lockdown drills, and severe weather/tornado drills (duck and cover). We ensure our scholars safety and security.

Faculty/Staff

All members of the University of Dreams at IBOC faculty and staff are committed to nurturing and developing each scholar's spiritual, academic, and emotional needs. We believe that traditional subject matter is best taught to children with consistent Biblical truth and in a loving, disciplined environment. U of D hires loving, dedicated, Spirit-filled Christian teachers who are passionate lifelong learners and fully committed to helping your scholar meet their God-given potential.

Fees

Additional fees can include uniforms, field trips, class activities, school pictures, etc.

Field Experiences

Due to COVID-19, all field trips/experiences are held VIRTUALLY. Please allow your 1st thru 5th Grade Scholars to participate in our weekly Chat & Chew Google Meets.

Financial Responsibility of Parents

All tuition payments are made online for Leadership and Arts Academy scholars to universityofdreams.org. **If paying monthly or bi-monthly, any full or partial fee must be paid by the 15th of each month. If tuition is not paid, the student will not be allowed to return to school until unpaid tuition is paid in full.**

Withdrawal of a Student from School

When a scholar withdraws from school whether at the request of the parent or school, the parent's financial responsibility includes that whole month. **The scholar's attendance for any part of the month is considered the same as the entire month.**

When a scholar withdraws, and balance is zero, the school will send records only then to the receiving school (when requested by them), not the parent. Monies owed at the end of the school year and not paid will result in student records being held and not released; as well as placing the scholar's next year's enrollment on permanent hold, until payments are received in full.

Grading Policy

Report Cards are issued each nine weeks to show student progress. Our Grading Weights are:

<u>Grades 1st thru 5th</u>	
Class Work/Homework	50%
Test/Quizzes	20%
Projects	20%
Six Weeks Test	10%

1st – 5th Grade parents can access their child's grades, attendance, and assignments through the PowerSchool App.

Health Services

Medical Forms ~ Parents are asked to anticipate any medical forms and, if possible, have them completed by the start of the school.

Medical Release Form ~ So that a scholar may be medically treated in an emergency situation when away from the school, or when the parent is otherwise not present, parents are required to submit an annual Emergency and Field Trip Permission Form.

Health Concerns ~ If your child has specific health concerns any relative information must be identified on the emergency form as well as provide specific measures to follow in the event an incident occurs. **Parents are encouraged to discuss any specific needs personally with the Directors. Any scholar with a major communicable disease, for which immunization is required by law or is available, shall be temporarily excluded from school while ill and during periods of healing.**

The Directors reserve the right to make all final decisions necessary to enforce its major communicable disease policy and to control the spread of such diseases within the school.

No child will be admitted to school on any day if vaccinations aren't up-to-date. If a child has not received the vaccine by the appropriate time, the parent will be notified, and the scholar will not be permitted to attend school until he has received the vaccination.

ACUTE ILLNESSES OR ACCIDENTS:

Parents should NOT send their scholar to school if they are:

- Vomiting or have diarrhea
- Have a temperature of 100 degrees or above
- Is suspected to have a minor contagious condition, such as, impetigo, ringworm, pinkeye, flu, etc.
- Not sufficiently recovered from an illness

If a child becomes acutely ill at school, parents will be notified to pick up their scholar from school. If parents cannot be reached, those individuals identified on the emergency medical data sheet will be contacted. Messages are left on voice mails as needed also, so please check your personal answering machines during the day. Please make sure that all cell phones and work numbers are listed on your Emergency Medical Data Sheet. If there is ever an incident when the student needs ambulance transportation, this will be requested by the Fire Department.

A student who has a temperature of 100 degrees or above is considered too ill to attend class and the parent will be notified. He/she will be allowed to stay in the office until they are picked up. However, due to lack of facilities to care for a large number of students, we ask that the child stay for as short a time as possible.

Any sick child can return to school when 24 hours free of ill symptoms. A child will, occasionally, sustain injury, which possibly may continue to manifest symptoms after the school day. When this is noted, a call may be placed to the parent to let them know to continue to observe the child at home.

MEDICATIONS

All medications, prescription or over-the-counter drugs, may be administered only if the medication is in its original container and the office has a written request from the parent. **You will need to complete the authorization form for administrating of medication. If the student will be on medication longer than 10-day period, we must also have a statement from the doctor to keep in the school files.** The prescription medication container must have this complete data: Name of student, Name of doctor, Medication name and number, Instructions for administering. This policy is based upon state law and requires your cooperation for compliance. Please do not send the medication in an unlabeled plastic bag. Your child needs the required medication, and in order for them to receive it, it must be labeled as specified. When you purchase your medication at the pharmacy, request an additional container, and then send the medication that will be required for the school period in the labeled container. Students are not permitted to keep medications at school. If there are exceptions to this, it must be discussed with the administrator.

VISION AND HEARING SCREENING

State law requires that vision and hearing screening be conducted for 1st, 3rd and 5th Grade all new students. This must be done within the first semester of enrollment. This year's screenings begin November 2, 2020.

Homework

Homework is a teacher-planned learning activity, which takes place largely outside of the students' regular school hours. It should reinforce classroom learning and expand on a students' school experience. Homework is considered an important part of the instructional program. Parents are encouraged to set aside a regular time each evening to discuss any work their child may have brought home from school and to talk with their child about the day's events. **U of D Homework is aligned with current skills and lessons of the classroom. It is to provide support and practice for previously taught skills and lessons.** When students are absent, parents may request that homework be sent with a sibling or relative. Requests for homework assignments should be made in the morning. Parents are asked to make requests early in the school day, so that time may allow for materials to be organized and sent home. **Scholars are expected to complete a Thanksgiving and Christmas break work packet.** These are designed to help our scholars working on current foundational core areas (reading, writing, math, science and social studies) to remain academically strong.

Scholar homework packets are distributed as follows: 😊

Children's College: HW Packets Due Every Friday 8:00am
Leadership and Arts Academy: HW Packets Due Next Day 8:00am

Important Message From FLECS

Hello, U of D Parents.

We are humbly asking that you **not** allow siblings or relatives to complete your Infant through 5th Grade Scholar Homework. It is vital that we see scholar progress.

We appreciate you,
U of D School Leaders

Lockers

1st – 5th Grade scholars have been assigned and provided lockers by the school. Scholars are not to share lockers or change lockers without prior permission from school personnel. At no time will a combination lock or lock of any kind be placed on a locker. At the end of the year, students must clean out their lockers. Primarily for safety, security and aesthetic reasons – all textbooks, school supplies and backpacks must be kept in lockers when not in use and are not to be stored in hallways.

Lost and Found

The University of Dreams school system cannot assume responsibility for scholar loss of property. Proper marking of personal property (e.g. coats, jackets, sweaters, lunch boxes, etc) can reduce losses. Please do not allow scholars to bring personal electronic devices (e.g. phones, tablets) unless it is for an academic reason – planned and established by the teacher.

Lunch & Snack (pm)

Lunch and pm snacks costs are included in the monthly tuition. Upon request, a menu can be sent home in your scholar's folder. Please visit www.universityofdreams.org to view, download and/or print our monthly lunch menu for your convenience.

Parent Conferences

Parent-Teacher conferences are encouraged. **Due to COVID-19, parents will be notified regarding how parent-teacher conferences will be conducted.** There are two scheduled parent conferences during the school year. If the teacher feels an additional conference(s) is necessary, the school will contact the parent. If for any reason a parent wishes a conference with the teacher, the parent should contact the Directors for coordination with the teacher.

Teachers are not allowed to be interrupted during class instructional time for parent conferences.

When parents have concerns or issues, they are encouraged to discuss those matters with the classroom teacher, if at all possible, first. If the situation is not resolved, parents are encouraged to address the matter with Directors. Teachers, administrators, and parents share common goals for creating the best learning experiences for scholars.

Personal Items

Scholars will bring cell phones, toys, trading cards, athletic items, electronic equipment, or any non-essential personal item onto school property unless authorized by a staff member. University of Dreams at IBOC is not responsible for lost or stolen items.

Projects / Work Products

There is always fun on the horizon when a U of D scholar-family project comes home. Responsible adults at home are asked to help scholars plan their projects from beginning to end – materials and the critical thinking needed for a successful project. It's always a blessing to teach our scholars the art of starting and completing a task with excellence. Thanks, Mighty Eagle Parents!

Report Cards

Report cards are issued to scholars every nine weeks.

1st thru 5th Grade Parents, please check PowerSchool for your latest up-to-date grades and assignments.

Teacher Trainings

University of Dreams at IBOC is committed to ongoing professional development sessions for teachers.

School Closings (Weather Related)

The Pastor, Facility Manager, & Directors will make a determination as to whether or not school is closed for the day or on a delayed start schedule due to inclement weather. By 5:30am, you may view local TV stations as they will offer info regarding our school system plans. As a rule, University of Dreams at IBOC follows the Dallas Independent School District closing decisions. Information is disseminated via Channel 8-WFAA, School Reach Communication, and the school website www.universityofdreams.org website for weather-related closings.

School Property

Students are expected to be responsible for all textbooks, library books, desks, and school property issued to them. Parents are expected to pay for property that is lost or damaged due to student misconduct or lack of responsibility with school property.

Schoolwide Rules “Significant Six”

1. Dreamers follow directions the first time given by an adult in our school.
2. Dreamers use polite language at all times.
3. Dreamers think about consequences before speaking or acting.
4. Dreamers show respect for everyone and their personal property.
5. Dreamers do not hinder students from learning or prevent teachers from instructing.
6. Dreamers keep mouths, hands, feet, objects and disrespectful remarks to themselves.

Student Behavior Management

Leadership & Arts Academy believes that managing student behavior is a constructive element to the educating process. Its aim is to allow scholars to grow in a manner that does not infringe upon the rights of other persons. Our Directors works closely with our teachers to ensure that each child is equipped to safely reach his/her full potential without any obstructions. **No scholar will receive physical punishment of any kind.** The Leadership & Arts Academy will provide an orderly, organized classroom where working hard and appropriate behavior are the accepted standard. **Therefore, if the administration deems it necessary, a child may be suspended from school for threatening the positive learning environment we are aiming to create.** We will encourage self-esteem, self-control, and self-direction by:

1. Reminding scholars of our behavior expectations daily
2. Redirecting negative behavior using positive statements
3. Using brief, supervised separation from the group

We Will Not:

- Use or consider corporal punishment as an acceptable form of discipline under any circumstances
- Humiliate, ridicule, reject any child
- Pinch, shake, bite, hit any child with an instrument
- Place any child in a locked dark room, bathroom, or closet with the door closed
- Use food as a means of discipline

****Parents may reference the Texas Educator Code of Ethics for more information**

[https://texreg.sos.state.tx.us/public/readtac\\$ext.TacPage?sl=R&app=9&p_dir=&p_rloc=&p_tloc=&p_ploc=&p_pg=1&p_tac=&ti=19&pt=7&ch=247&rl=2](https://texreg.sos.state.tx.us/public/readtac$ext.TacPage?sl=R&app=9&p_dir=&p_rloc=&p_tloc=&p_ploc=&p_pg=1&p_tac=&ti=19&pt=7&ch=247&rl=2)

Biblical Guideline for Scholar Management

- Respect authority, Be an example, Seek excellence, Be honest, Practice clean speech & Reflect Jesus

Student Folders

All scholars are given a Student Folder in order to help with organizational skills. Please work with your child to help keep them informed of timelines for projects, assignments, and school events. **If a scholar needs a 2nd folder or more, there will be a \$2.00 cost associated. Information generated from the teachers and administrators (i.e. flyers, parents' information, homework, projects, progress reports, report cards, student classwork, etc) will be placed in their folder. Our goal is to remain in constant positive communication with all our Mighty Eagle parents. However, it is the parent's/guardian's responsibility to check your child's "Weekly Folder" for important information.

Tardy Policy

The University of Dreams Leadership and Arts Academy consistently works to establish a more efficient and accountable tardy policy for our parents and students. School will begin instruction at 8:00 a.m. STUDENTS ARE TARDY AT 8:15AM. Students are expected to be in class and ready for instruction at that time. The Administration will always be sympathetic to any valid extenuating circumstances that may **cause any excused tardiness, however students and parents must remain accountable.** *Let all things be done decently and in order. I Corinthians 14:40.*

Telephone Usage

Telephones in the building are for school business only. Students are allowed to use a school telephone only in limited circumstances and are required to obtain permission from teachers and/or office staff prior to using the phone. Messages will not be delivered to students until lunch time, unless it is an emergency.

Visitors

Due to COVID-19, no visitors are allowed in U of D, except school deliveries or parent emergencies.

Volunteers

Due to COVID-19, no volunteers are allowed in U of D.

COVID-19 Protocol / Procedures

2020-2021 School Year

OVERVIEW

Our overall goal is to retain the educational and spiritual outlook for U of D school system, protect the health and safety of all U of D faculty, staff, scholars and parents while supporting flexible, robust, engaging learning opportunities on & off campus.

U of D Scholars or Staff who test positive for COVID-19:

- Scholars and/or Staff member will be sent home immediately to recover.
- **Staff members** will be required to visit a Testing Site and will NOT return until their quarantine period is done and they receive a negative test result. Scholars who are exhibiting symptoms of COVID-19 are sent home from school immediately the same day symptoms appear. It is a parent's choice to schedule and undergo COVID testing for their U of D scholar, at a location of their choosing. However, if a positive result or presumptive positive result occurs, the scholar must quarantine a minimum of 14 days. If the scholar does not take a COVID test but is showing symptoms of COVID-19, the scholar must still quarantine for a minimum 14 days.
- Based on this information, a scholar, classroom(s) of scholars **or** entire school may be required to quarantine for a minimum of 14 days. The final decision is in the hands of the School Directors who will consult proper authorities to aid in this decision. In the event scholars are asked to quarantine after an exposure, their education will continue at home with Virtual Learning or Work Packets for the duration of the quarantine period.

U of D at IBOC will employ the following school-wide safety measures:

- Require face masks be worn by all faculty/staff and scholars 3 years old+.
- Disinfecting surfaces every hour; deep cleaning nightly.
- No sharing of supplies between scholars
- "No contact" outside activities between scholars (Fun idea: Tag with pool noodles)
- Hand sanitizer stations in all common areas and outside of classrooms
- Staggered schedules and avoiding congregating in hallways
- Post social distancing signage and affix floor decals health reminders
- Regular hand-washing procedures for all adults and scholars
- Ongoing mandatory training for faculty/staff - COVID-19 preventive strategies
- Weekly training/Daily announcements for scholars on proper hygiene practices
- Pre-plated breakfast, lunch & snacks served to scholars & adults in the classroom and socially-distanced in the cafeteria (upper grades).

U of D Campus Mitigation Strategy for COVID-19 will include:

- Hand sanitizing stations will be located in common areas and classroom hallways
- All Staff and Scholars will be screened daily prior to campus admittance using our Clock-In Infrared Temperature Gauge.
- All Staff will be required to wear PPE (personal protective equipment) consisting of masks and face shields.
- Parents completing a weekly online campus questionnaire regarding their scholar
- No visitors allowed on the campus, other than essential business transactions, such as delivery of food supplies and other necessary office/school materials.
- Delivery personnel temperature screens prior to campus admittance
- Parent drop-off and pick-up of scholars outside of the school building with scholar temperature checks upon arrival.
- Face masks are required for all visitors, staff and scholars.

U of D at IBOC will require **PARENTS to adhere to the following measures:**

1. Parents must **NOT** send scholars to school if any of the following apply:
 - Showing any COVID-19 symptoms (fever \geq 100 degrees), shortness of breath, loss of smell or taste, cough, chills/repeated shaking, abnormal sore throat, abnormal headache, diarrhea, fatigue or muscle aches)
 - Having a lab-confirmed positive case of COVID-19 **in their home**
 - Having been in **close contact** with a lab-confirmed person with a positive case.
2. If **any** of the above symptoms are known, Parents should immediately:
 - Report these conditions to U of D School Leaders **AND** understand their scholar will remain off campus until their 14-day quarantine/incubation period has passed.
 - Expect their scholar to receive online instruction or work packets until their health conditions for campus re-entry are met.

Important Reminder:

Any potential health issues or state mandates may cause scholars to move from the On-Campus Learning experience to the Mighty Eagle Virtual Learning model for a period of time as needed to any student or staff illnesses, county or state regulations.
